

MEMBERSHIP FEES: WORDCOUNT LIBRARY

Total registration fee: 2500 INR

This includes a deposit of 1500 INR and a reading fee of 1000 INR.

Deposit (1500 INR): The full deposit will be returned if no damage/loss has occurred at the end of the membership. In case of loss or damage to books, part/whole of the deposit will be retained by the library.

Reading fee: A small reading fee per book will be deducted from the initial payment (1000 INR). Usually this is 15% of the cost price, as per charges in medical libraries. This can be renewed as necessary until one wishes to end the membership. Please insist on a receipt for your payment.

Membership: This is valid indefinitely once the original registration is complete. In case of loss or damage to books, the deposit will need renewal before further books are issued.

BORROWING & RENEWAL

- Monica Cardoz or Payal Shah (our receptionists) need to be informed at the time of borrowing a book.
- We prefer to receive the book within 2 weeks of issue, so that other patients/families can benefit of the same.
- A late fee will be charged for delayed returns, equivalent to the reading fee per week.

- Currently, this collection is available to our patients and their families only.
- In case of loss of books, the library will charge as much as necessary to replace the book (this is deducted from the initial deposit).

- We look forward to sharing, discussing and exchanging ideas from this pool of knowledge by various authors! Do write to us for specific queries or recommendations!
